TEXAS BAILEY IS OPPOSED TO STATEHOOD

And Jones of Arkansas Pays Doubtful Compliment.

BY ARKANSAS COMPARISON

Favor Flynn Bill.

Washington Nov. IR Senator Balley of Report to Governor. Texas has gone to New York to have his throat treated. Before leaving here he-"I am determined to oppose state- Capital has this morning the following hood for Oklahisma unless some really report on normal schools

of the states to be classed in the doubt- at each school. ful column. Nevertheless, I shall advo-cate the admission of the territory on the broad ground that she has the popula-tion, wealth and prospects to warrant school at Alva is brought to the attenter is narrow and pessimistic."

Senator Daniel of Virginia, and Sanator Jones of Arkansas, both staunch Demografs, advocate statehood. Senator Jones says: "Oklahoma is as good a state today as some of those now in the Union, and better than several. Oklaho ma has all the conditions of statehood today except the act of congress declar fng statehood; Nobody loves Arkanian better than I do. Nebody has greater confidence in the future of Arkansus than I have: and yet, I am willing to ad thit that Oklahoma stands as well today

That is a kind and neighborly thing to
